have given one month's time to the peters who are temple purchases to surrender the lands in their possession to the auction purchasers. The peters say that they will be put to heavy losses ^{as described in the petition} if the lands are taken away during the pendency of the appeal, & that the trees on these lands will be cut & removed by the auction purchasers, and pray for a stay order.

It thus appears to be a case where stay of execution is ^{perhaps} called for. An order may perhaps issue to the following effect:—

If the peters are in possession of the temple income lands, and if they give sufficient security for the highest bid amount now offered, their possession need not be interfered with pending disposal of their appeal by court. Submits for orders.

Order of the Andharai Commissioners in Mysore

Subject: Appeal (petition no 67 of 28 29) of Venkatasappa son of Appajiah and another Venkatasappa son of Melah Sreenivasiah archaks of Sri Muttarayya and Hanumantha devaram temples at Honnalagere, Mandya Taluk against the order of the Deputy Commissioner Mysore District directing that the Gram lands the above temples be leased out by public auction.

Facts of the case

The above temples are endowed with Gram lands of a total extent of 13-37 a & assessed at Rs 19-4-0. All these lands except two S nos (8732375) being in the enjoyment of the ryots on condition of paying gulla to the archaks, the latter complained to the Andharai in 1925, that the lessees were not paying gulla regularly and prayed that the lands might be given to their possession subject to the performance of

regular work. The Amildar thereupon reported
through the Sub Division Officer of French Rocks that
all the land may be left in the possession of the
archaks for a period of 2 years commencing from
25-26 not rel. to the regular performance of
pooja in the temple and payment of a sum
Rs 10/- annually towards the temple reserve,

was approved by the Sub Division Officer
in his order dated 18-3-26. The archaks gave a
mushaklikka to that effect on 20 3-26 and
also bound themselves to do the Khyakatte
and Hachakatte services in the temples
regularly. The cultivating Ryots wanted the
lands to be left in their possession alone, in view
of their long enjoyment. and if this was not
possible then, may be sold in auction. They
were informed of the Sub Division Officer's order.
On a petition of Temple funds and other villagers
sent to the Sub Division Officer and the Dy Commr
praying for the lease of the lands by auction,
the Amildar in his order of 17-5-26 reported
the circumstances of the case and stated that
what was desired to be given to the possession

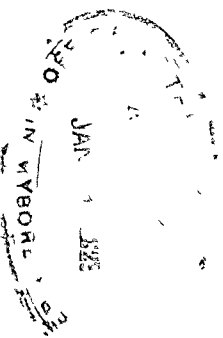

of the archakhs on a 3 years' lease from 25-26
were given to their possession on 18 4-26 i
at the end of 19 25-26, that the archakhs had
paid Rs 10/- for one year on 3-5-26 and the
amount had been credited to the Treasury and
that the prayer of certain ryots to have the
lands sanctioned was because they were enjoying
these lands for a long time and he had been
deprived now that moreover the cultivation season
was over and that further action may be taken
after the expiry of the leave period allowed to the
archakhs. This was sent up to the Dy Commr by the
Sub Division Officer and in his memo of 15-6-26
the Dy Commr approved the Amildar's recommenda-
tion to lease out the lands after the period
of 3 years was ~~over~~ ^{over}. A scale of income and
expenditure for the institution was called for
and it was also ordered that contribution
at 3% should be recovered from the archakhs.
On 20th July 19 26 a sum of Rs 4-8-0 was recovered
from the archakhs towards the Mut. Establishment
fund and a mutchalikha taken from them

that they would leave the lands on the expiry of the term of 3 years from 26-27. A scale calculation on an income of Rs 150/- was submitted by the Amildar through the Sub Division Officer who recommended its approval. The Dy Commr ordered that the income should be estimated on the past 5 years' average in consultation with the villagers. The Amildar reported in his No 71 of 25-26 dated 13-6-28 that one party in the village perhaps with a view to have the lands continued in the possession of the archaks intimated by a largely signed petition that the annual yield was between Rs 150/- and Rs 200/- while the other estimated it at Rs 500/- as per Mohudan

The Sub Division Officer's order sanctioned the lease to the archaks for a period of 3 years from 25-26, the term had expired apart from the fact that the lands were put in the possession of the archaks at the end of the year 25-26, the lands may be leased out in auction for 5 years from 28-29 and 5 and

that a Scale calculated on the realization
and providing for remuneration to the archaiks
for pasture and pay would be submitted.
The Dy Commissioner sanctioned the proposal
in his order of 7th July 1928 with instructions
to the Amildar to take action immediately as the
cultivating season had commenced and to
conduct the sale himself informing the archaiks
and giving them an opportunity to bid and
to submit a revised Scale commensurate
with the realizations at the sale. The Amildar
issued a notice on 13-7-28 to the archaiks
informing them of this and asking them to
deliver up the lands without cultivating them.
Against this order, the appellants came up in
appeal to this office praying that they might not
be disturbed since the term of 3 years allowed
to them expired on 8-4-29, as the lands
had been delivered to their possession on 4-4-28
vide Appane Chit. of that date enclosed, and
prayed for a stay of the auction sale of the
lands fixed for 23-7-28. The archaiks again
petitioned on 9-8-28 that the sale fixed for

13 & 28 may be ordered to be stayed. The
 Jy. Comr. was asked to stay the sale as it was
 a very unstable part of the year for selling
 the lease and informed that the appellants
 may be allowed in possession pending the
 result of the appeal in their executing a
 mutchalikha to the effect, that if the appeal
 is decided against them, they will pay the
 amount realized in the sale calculated for
 the present year. With reference to this, the
 Jy. Comr. while submitting the records states that
 the Amildar who was asked to hold the sale
 and obtain a mutchalikha from the archakhs
 reports that the sale realized an annual
 value of Rs 3557- for a period of 5 years
 commencing from 28-30, that one of the
 archakhs (Heenwasiah father
 of Venkatappa) who was
 present at the time of the sale
 refused to sign the sale

 existing term of 3 years' lease granted to the
 archakhs expired with the harvest of 1928 and the

They have agreed to give an enhanced

the lands have fetched an enhanced income
to the temple from 29-30 and as the archaks
are reported to have raised crops on the
land they may continue in possession until
the standing crops are removed by them and then
hand over possession to the auction purchasers.
The archaks are stated to have not executed
any mutchallika. The appellants without their
counsel were heard

zeal for the interests of the Institution. They
have enjoyed the lands for some time longer

was sold by public auction in the presence of the Amildar of Mandya on 13-8-1928. The Petitioners, being the highest bidders, obtained the Lease for a period of 5 years on an annual rent of Rs.355/-. On the date of the sale, the Petitioners have deposited in advance in the Taluk Treasury the sum of Rs.355/- being the rent for one year. The new Lease is to commence from the year 1929-30.

2. The Opponents, who were in the village at the time of the sale and who had been sent for by the Amildar, did not turn up, and the father of the 2nd Opponent, who was present at the auction, refused to sign the Sale Patti.

3. Against the sale, the Opponents had preferred an Appeal to the Muzrai Commissioner in Mysore in Appeal Petition No. 4 of 1928-29. But the Muzrai Commissioner, in his Order dated 5th January 1929, has dismissed the Appeal and confirmed the sale.

4. The Opponents have preferred on 24-1-1929 an Appeal to Government against the Order of the Muzrai Commissioner, confirming the sale. On 1-4-1929, the Opponents have also submitted a Petition (No.M.3215/1-4-1929) for Stay of the Execution of the Order of the Muzrai Commissioner, pending disposal of the Appeal.

And the Government has issued an ad interim Order (D.1502/2-4-1929), staying the Execution of the Order of the Muzrai Commissioner and the delivery of possession of the Temple lands to the Petitioners.

5. As soon as the Petitioners came to know of the Opponents' Appeal to Government, they have submitted a petition on 6th - April, 1929, praying that they may be given an opportunity to present their case and that the Appeal may be speedily disposed of.

6. The Petitioners have come to know subsequently that an Order staying delivery of possession of the Temple lands to them has been passed by the Government.

7. Under the Mysore Religious and Charitable Institutions Regulation, the Opponents have no manner of right to retain the Temple lands in their possession and enjoyment. The Opponents, who are merely the Archaks of the Temples, are not the Managers or Representatives of the Temples, and cannot, therefore, claim to retain and manage the Temple lands.

8. The Opponents have not been maintaining the Temples in proper condition, and the inhabitants of the villages concerned have many times complained to the Muzrai Authorities.
